

## **BLASTER'S RANGER QUICK START GUIDE**

*This document is contained on the Blaster's Ranger CD-ROM.*

To ensure proper and easy installation of all software provided with your Blaster's Ranger, please follow the instructions below:

1. Review the printed **Blaster's Ranger Operations Manual** which is also located on the Blaster's Ranger DVD. Refer to this item to operate the Blaster's Ranger.
2. Install MiDAS 4.0 Express using the enclosed MiDAS 4.0 Express CD enclosed with your camera.
3. Install ProAnalyst® TrackOne Edition Software on your desktop following the installation guide and Operations Manual in the ProAnalyst box.
4. Refer to Section 3.5 Quick Setup Guide of the **Blaster's Ranger Operations Manual** to setup and start using your new BLASTER'S RANGER high-speed camera.
5. After you get the video, follow **ProAnalyst® TrackOne Edition Demonstration File Quick Start Guide**, to practice and get familiar with this software.
